LIFERAFT SOLAS THROWING TYPE

Two-chamber liferafts of exceptional quality for use on commercial and fishing vessels engaged in international voyages. Available for 6 to 25 people in a rigid canister. Suitable dropped height from 18 to 30 meters. The equipment is stored in a vacuum bag to reduce volume and protect against water. Suitable for any type of vessel. Ready to use instantly as they require just 5sec for bloating and boarding. With reflective tape at the bottom to indicate if it opens upside down.

AVAILABLE PACKAGE "A"
