LIFERAFT LEISURE ISO & NON ISO

Designed for leisure sailing, it is available in a wide range of choices, both as ISO 9650-1 and as NON ISO. Dropped height from 6 meters. The equipment is stored in a vacuum bag to reduce volume and protect against water. Suitable for any type of vessel. Ready to use instantly as they require just 5sec for bloating and boarding. With reflective tape at the bottom to indicate if it opens upside down.

ISO 9650-1
